## Open House

A big thank you to the PAC for their efforts last night before the Open House. The BBQ was a smash hit. It was so great to see so many of our families out enjoying the sunshine and a yummy burger. There was a real community feel to the event last night. The entire evening was a huge success. Thanks also to staff for being so welcoming to all families.

## Grade 7 Farewell and awards night

Near the end of June each year, we host a special evening for our grade 7s to say good-bye and to thank them for sticking with us for 8 years. The grade 6 parents will be responsible for the planning and running of this night. We will require every grade 6 parent to be involved in some way. To begin however, all we need is a few interested, enthusiastic grade 6 parents who would like to work with Mr. Lundine on the planning committee. If you would like to take a leadership role in planning this event or have any questions about logistics or details, please contact the office in the upcoming week and give your name to Jamie.

## Individual Portraits

School Photo day went really well. You should have received your child's online code today. If you did not receive yours, please check the backpack. If you still don't see it, please contact your child's teacher or the office and we will ensure you have it by Tuesday. Once you have the code, viewing your proofs and ordering is simple.

## Football

Congratulations to our two bantam football teams who won their games this week. The boys' team won 35-7 vs. Forest Park with touchdowns from Hugo, Logan, Finn and Sol and the Girls' team beat Hammond bay in a great game 35-7 with touchdowns from Payton, Montanna and Kiera.

## Outside Recesses

It is rare that we will stay in the school for recess unless it is a matter of health and safety. We believe that fresh air is the best thing for a growing body and mind. Please be sure to check the weather and send your child with the appropriate footwear and rain gear if necessary. Current weather is always posted at [www.quarterway.ca](http://www.quarterway.ca)

## Grade 7 Bottle Drive Tomorrow

Grade 7s will gladly take your bottles off your hands tomorrow at the Hayes Rd location. They are raising funds for their year-end activities.

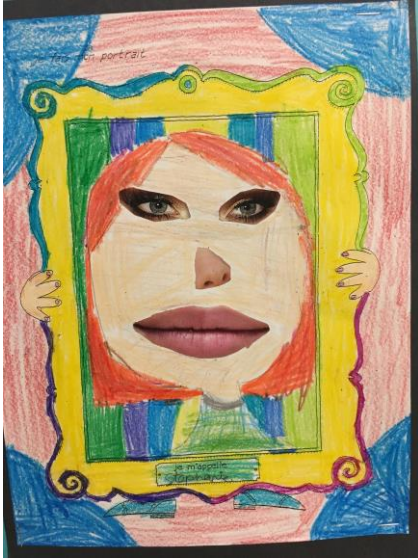

## The New Gym Floor

Sadly, our amazing new floor is already looking pretty rough. If possible, please send your child to school with on white-soled gym shoes. This will help us keep the floor looking bright and shiny for years to come.
