Our school has a NO pop, chips or candy policy. (see Parent-Student handbook posted at www.quarterway.ca) Schools, parents and community all share the responsibility of instilling healthy eating habits in children. Health conscious and well-nourished children are better equipped to learn and are more likely to engage fully in learning and take advantage of the educational opportunities available. We ask that students bring only healthy snacks and lunches to school. Please see the Canada Food Guide for examples of foods that children should choose most often. Schools do not allow students to consume chips, pop, candy or energy drinks during the school day.
