

Dear Quarterway families,

Library Books, Borrowed Recorders, Classroom Books and School Jerseys

Please have a good look around your home for any items borrowed from the school. There will be bins in the cougar den Monday through Friday to collect all returning items.

Chromebook Return June 17th and 18th

For those students attending school who had borrowed a Chromebook and charger from the school district to access your on-line learning, we asked that these Chromebooks be returned to your classroom teacher at school June 17th or 18th.

For those students who chose to continue their on-line learning from home and who borrowed a Chromebook and from the district, we ask that you drop the Chromebook and charger off at Quarterway school office June 17th or 18th between 9:00 and 3:00.

If you wish to return the borrowed Chromebook before this time frame, please contact the school office and make arrangements to return the Chromebook.

Students attending school and needing to access technology to complete assignments will still be able to use technology at school. For students working from home, no new assignments will be given that require technology after June 17th.

Pick up belongings

We still have some belongings that have not been picked up. Monday morning, June 15, we will put the remaining bags in the cougar den from 8:30 – 4:00. At 4:00 PM we will collect everything and as usual we will donate unclaimed items to a non-profit organisation.

Thank you for helping us ensure that all items are returned to our school and other schools before the end of the school year.

Take care!

Mme Kaké and Mme Karina
