Library Update

Mme Sullivan thanks the PAC for their kind donation so that she can take kids to choose books at Chapters. The library is in the midst of clean up tallying circulation for the year. Look in the next few weeks for updates on who reads the most!! Author Visits: J. Torres is a graphic novel writer and has worked for DC comics, Last Air Bender, Teen Titans Go. He read to our Quarterway students from his new book "How to Spot a Sasquatch". Kit Pearson is a beloved Canadian author who has inspired generations of readers. Her books include: Handful of Time, The Sky is Falling, The Whole Truth. Ms. Pearson is reading from her new book : Be My Love that is set in 1951. "The story seems to invite all young readers – LGBTQ or otherwise – into an imaginative space where love and anger, family troubles and bodily desire can safely be broached and discussed." - Toronto Star
